Praise the LORD for He is good,

His glo - ry knows no bounds, Let all the

earth - re- joice with us, be filled with bless- ed

sounds. Be filled with bless- ed sounds.

2. Praise His glory, LORD of light,
We sing His praise on high.
While heav'ns and earth declare His name,
His Glory draws us nigh.
His Glory draws us nigh.

3. Awesome power is God's realm,
His universe untold,
Its beauty, strength and wonderous sights
To mortal man unfolds.
To mortal man unfolds.

4. All His works shine forth with love,
His glorious name exhalt.
O praise the LORD, for He is kind,
His righteousness is great,
His righteousness is great

5. With one voice we praise His name,
Jehovah, LORD is God.
His holy name is glorious,
We praise you, praise you LORD,
We praise you, praise you LORD.
